

Christian World View Forum

By Judy Russell

The October Christian World View Forum was held in the Staff Dining Room of the NSW Parliament House, due to upgrading in the Theatre. This event was held in cooperation with the Australian Christian Nation Association. With over 110 persons in attendance, the venue was full to overflowing with an audience eager to hear more of our overseas speaker, The Rev Murray Dixon, a well-read, knowledgeable speaker and teacher of the Scriptures. Murray's theme was *"The Islamisation of Europe and the Church, from the Foothold in Europe to the Muslim Jesus"*. He gave an excellent Power Point presentation on the rise of Islam through the ages, going hand-in-hand with anti-Semitic attitudes in the church to God's chosen people. Murray reminded us that Jesus, the Messiah, was and is a Jew and will return as a Jew, the Lion of the Tribe of Judah. He will judge the nations on their attitudes to His continuing covenants with Israel. (Joel 3:2).

Tragically, many of the Islamic faith are being taught that Jesus will bow His knee to the Islamic Mahdi, a descendent of Mohammed. As Christians we know, via Holy Scripture, that on that day every knee will bow and every tongue will confess that Jesus Christ is Lord.

Murray also led us through excellent timelines and data pertaining to the ties between Hitler's Nazi regime and today's Iranian President Mahmoud Ahmadinejad's regime concerning the annihilation of the Jewish nation. He said regarding Iran's threat to Israel "it is not a matter of borders, it is a matter of existence". He also spoke on the non-existence of a Palestinian nation, it being a concoction of Yasser Arafat, born out of the Arab defeat in the 1967 war won miraculously by Israel or, should I say, won by the God of Israel.

A delightful luncheon was served in the Members Bar area overlooking the Domain, which was a most popular venue.

As I write this report, the Holy Spirit reminds me of Acts 17:26 "He has made from one blood every nation of men to dwell on all the face of the earth, and has determined their pre-appointed times and the boundaries of their dwellings". Therefore, our Almighty and Sovereign God, assigns to each people an area within the boundaries he has set. The ancient land of Canaan (Israel) is the land that God has given to the Jewish people. Jesus will return leading a great army from heaven to fight against those armies that have attacked Jerusalem (Zechariah 14:3). Do we as Christians stand with God's Word or do we stand against it? I know which side I am on. Hallelujah!
