CHRISTIAN WORLDVIEW

Bearing Witness to the Truth!

Host The Rev. Hon. Fred Nile MLC; **Chairman** Pastor Peter Rahme

.....

YOU ARE INVITED to The Australian National Premiere of....

John Wilson wakes up, gets ready for his day and heads to work. He has no idea that he's being watched, tracked and studied. Is he a threat to national security? Is he a terrorist or a criminal? No, he's an ordinary American citizen.

Like everyone else, John's rights and freedoms have been systematically destroyed - all in the name of security and convenience.

is it about peace and unity? Or is it about ultimate global power?

What if there were hidden forces with no ties to democracy or constitutional rights in power? What if

new laws, media propaganda and Secret Societies labeled John a danger to society? And what if all this set the stage for a Biblically prophesied global government run by the Antichrist?

Leading researchers, authors and minds like Grant Jeffrey, Dr. Katherine Albrecht, Edward G. Griffin, Daniel Estulin, Gary Kah, Chuck Missler, Joan Veon, Brad O'Leary and many others take you through the incredible and hidden world of Surveillance, Rights and Freedoms, Global Government and Bible Prophecy.
