**THE CROSS** is the story of one man carrying a twelve-foot wooden cross on a pilgrimage around the world. It is a mission of love, peace, blessings and Jesus. It is one man walking out his purpose and destiny one step at a time. This compelling story is an inspiration and an adventure of life on the roads of the world and the reactions of people to the cross and, more importantly, its life changing message. Listed in the Guinness World Records for the 'world's longest walk,' Arthur has carried the cross in 315 nations, island groups and territories and walked 38,102 miles, more than one and a half times around the globe at the equator.
